SATURDAY EVENING, JANUARY 29.

FOLLOWING A FEARFUL EXAMPLE .-When Mrs. Cabelek murdered her three children and then suicided, the newspapers published long accounts of the crime. A Bohemian sheet printed in Cleveland, O., had a very graphic description of the premises and long interviews with the surviving children. Frank Roth, a Bohemian, read the report to his wife, two children, and his mother-in-law. He is a well-to do mechanic of Cleveland and lived happily. His wife listened to the account of the Cabelek murmurder, and then had her husband re-read it. He went over it a third time, and then she took the paper to a neighbor and had it read twice more. Thursday she sent her mother to a greecy for yeast, and then she took a heavy doze of rough on rats and forced a doze of the poison down the threat of her habe. When the old mother return of her babe. When the old mother return ed she alarmed the neighborhood and doc tors were called, but they came too late. The woman died in great agony, and the babe expired soon after. The doctors kept the affair to themselves, and the police did not learn of it until late yesterday.

made arrangements to at once erect barracks at various points along the French | frontier, thus answering France with barrack for barrack. At a court reception yes-terday Emperor William informed the as-sembled officers that 72,000 men of the reserves would be called out immediately, and be drilled in the use of the new repeating rifle. This announcement, taken in con-junction with the reported words of the Crown Prince Frederick William, at the reception, that the situation was still severe, renews public alarm.

Rupture, pile tumors, fistulæ and all diseases of the lower bowel (except cancer), radically cured. Send 10 cents in stamps for book. Address, World's Dispensary Medical Association, 663 Main Street Buffa-
